8. Voting Items

8.1 – Elections of the 2024 NRC Executive and Standing Project Officers

As per NRC By-Laws (Part I: National Rover Council – Standing Orders, Article 4: Voting and Election of The NRC Executive), the NRC Adviser is the Returning Officer for the NRC. The NRC Chair handed over to NRC Adviser (P. McCormick) to chair this session. Nominations for NRC Executive and Standing Project Officer (NRC Team) roles were formally opened two months ago, and promoted widely to Rover Scouts across Australia through BRCs and social media. Nominations were received via an online form, and they closed at 9am on Saturday 18 November 2023.

Branch Rover Council Chairs were informed of nominees so they could confirm their endorsement. The endorsed candidates have now provided confirmation of their training status and their pre-recorded candidate statement, so we are good to commence. In order of the roles and then who submitted, below are the endorsed nominees:

Max Manson from Queensland nominated for Vice Chair

Eleyne Ferguson from Victoria nominated for Treasurer

Luke Brydon from Tasmania nominated for Treasurer*

Ben Brice from South Australia nominated for Environment & Sustainability Officer

NRC Adviser noted that as there was only one nomination for Vice Chair and Environment & Sustainability Officer, a vote of confirmation would be held for those positions. There was one timely, eligible nomination received for Treasurer, and then the NRC voted to accept Luke Brydon's late nomination (*see late paper 9.4 for details).

No endorsed nominations were received for the positions of Secretary, Diversity & Inclusion Officer, Marketing & Public Relations Officer and Training & Development Officer; these positions should be filled as via elections at the NRC Conference in January 2024.

Elections of NRC Team

NRC Adviser noted that elections would follow the order set out in By-Laws. Where a role was contested, candidates in attendance were asked to leave the virtual room during the election for their nominated role. Each Candidates' prerecorded statements (provided with their nomination) were played in order of nomination received, with the NRC then invited to ask questions of each candidate (including those calling in to speak to their nomination).

Elections were held for Treasurer, and a vote of confidence was held where only one person applied for the role (Vice Chair and Environment & Sustainability Officer). The following candidates were declared elected:

NRC Team 2024

NRC Chair (elected in Nov 2022)	Shaylah McClymont (ACT)
NRC Vice Chair	Max Manson (QLD)
NRC Secretary	Vacant
NRC Treasurer	Luke Brydon (TAS)
NRC Diversity & Inclusion Officer	Vacant
NRC Environment & Sustainability Officer	Ben Brice (SA)
NRC Marketing & Public Relations Officer	Vacant
NRC Training & Development Officer	Vacant

Note that roles elected tonight (and those to be filled at Conference) are for a 12-month term, taking office at the end of NRC Conference 2024 in January and concluding at the end of NRC Conference 2025. The NRC Adviser congratulated the incoming NRC Team members on behalf of the Council and handed back the chair to the NRC Chair.

9. Information and Late Papers

9.1 – BPSA Name Working Group Update

S. de Rota provided an update on the working group's progress. The survey had received 694 responses and are working on the statistical analysis, with the working group's final report will be tabled at the 2024 Conference.

9.2 – Retention Working Group Update

S. de Rota provided an update on the working group's progress. The working group is a little bit behind on the original schedule and are working to get back on track.

9.3 – Rover Citizen Science Service Project

B. Brice spoke to the update that was uploaded in the Sharepoint. There has been good engagement amongst participants, including promotion of the project. He noted that the project will be extended for another year.

9.4 – Election Candidate Clarification

P. McCormick spoke to the paper in the Sharepoint, noting that this is the first time such a situation has occurred and thus no precedent currently exists.

B. Catlin noted that as this is an abnormal election cycle we can have the flexibility to accept late submissions. M. Manson agreed noting that it is important to find the best candidates for roles. B. Thompson noted that sometimes delays can come up due to Branch teams (eg. training teams) that can cause late nominations. I. Kitching noted that Victoria had used a similar process in their BRC elections.

P. McCormick encouraged the NRC to consider putting advice for this situation into the By-Laws in case a similar situation arises in the future.

MOTION

That the NRC confirm if they accept Luke Brydon's nomination for NRC Treasurer 2024 (noting this is a late nomination and Luke does not meet the training requirement, though commits to completing the required training within his term).

Moved by: NRC Executive Seconded: Victoria

MOTION CARRIED UNANIMOUSLY

10. General Business

Z. Geddes asked if there were any updates regarding the New Zealand Moot contingent leader role. S. McClymont noted that this was covered in the APR Report (7.1) with applications opening soon, an interview process, and a successful candidate being announced likely in December.

M. Manson provided some information regarding Roverway, noting that applications close on 1 December 2023, and encouraged everyone to sign up.

Z. Geddes asked whether minutes for Remote Meetings should be uploaded on the NRC website, S. McClymont advised that the Executive is aware of this and that there were personnel having issues with accessing the website so hopefully will be actioned soon.

B. Thompson asked to confirm that S. McClymont had successfully been endorsed for the second year of her term as Chair, P. McCormick advised this was the case.

11. Next meeting

The next meeting will be the NRC 2024 Conference, held 19-21 January 2024.
